

“
Facilitating
Ghana's
International
Trade
”

VISION:

To become a strong financial institution that will be a key engine in the development of Ghana's export trade, facilitate cross border trade and make Ghana a pillar in regional and continental trade

MISSION:

To facilitate the transformation of Ghana's economy into an export one by supporting and developing trade between Ghana and other countries, overseas investments by Ghanaian Companies and eliminate critical market failures in the Ghana economy thereby making Ghana competitive in the global market place

PROFILE OF GHANA EXIM BANK

BACKGROUND

The Ghana Export-Import (GEXIM) was established in Ghana and came into force on 29th March 2016 with the passing of an Act of Parliament, The Ghana Export-Import Bank Act, 2016, Act 911.

By this Act, the Export Trade, Agricultural and Industrial Development Fund (EDAIF), a government agency owned wholly by the government was transformed into the Export-Import Bank and placed under a re-constituted Board.

THE OBJECT OF GEXIM IS:

- To support and develop, directly or Indirectly trade between Ghana and other countries. (The Bank will assist exporters to compete internationally by acting as an intermediary between National Governments and exporters by providing export financing to support their overseas activities)-
- To build Ghana's capacity and competitiveness in the international market-place.

The Bank has its Corporate office in Accra, the capital of Ghana, with four (4) branches sited in Kumasi, Tamale, Takoradi and Ho.
